HOMEWORK, MODULE 1

HAVE THIS DONE:

▸ business case for your site:

　▸ industry, demographic, client or movement

▸ have a wireframe layout proposed

▸ code the layout using bootstrap row/columns

▸ 3-6 pages, reflects your goal

WHAT TO THINK ABOUT

▸ think about where you wish to make your career

▸ no jobs, just careers

▸ industry counts, if you start in an industry, you stay in that industry

▸ make something that supports that industry

▸ what industry do you want to be in

▸ or, what demographic do you wish to serve
